TRUEPATH
LEARNING

#1

Why

Truepath Learning?

Truepath Learning's uniqueness lies in

- integrating modern management concepts with the time-tested universal Vedantic principles
- training modules are customized in tune with the organizational needs and
- learning contents are enriched with current research findings in the field of business.

Need for integrating the past with the present

TruePath Learning's approach to people-centric interventions is driven by the fact that research on modern management practices integrated with India's rich cultural ethos is:

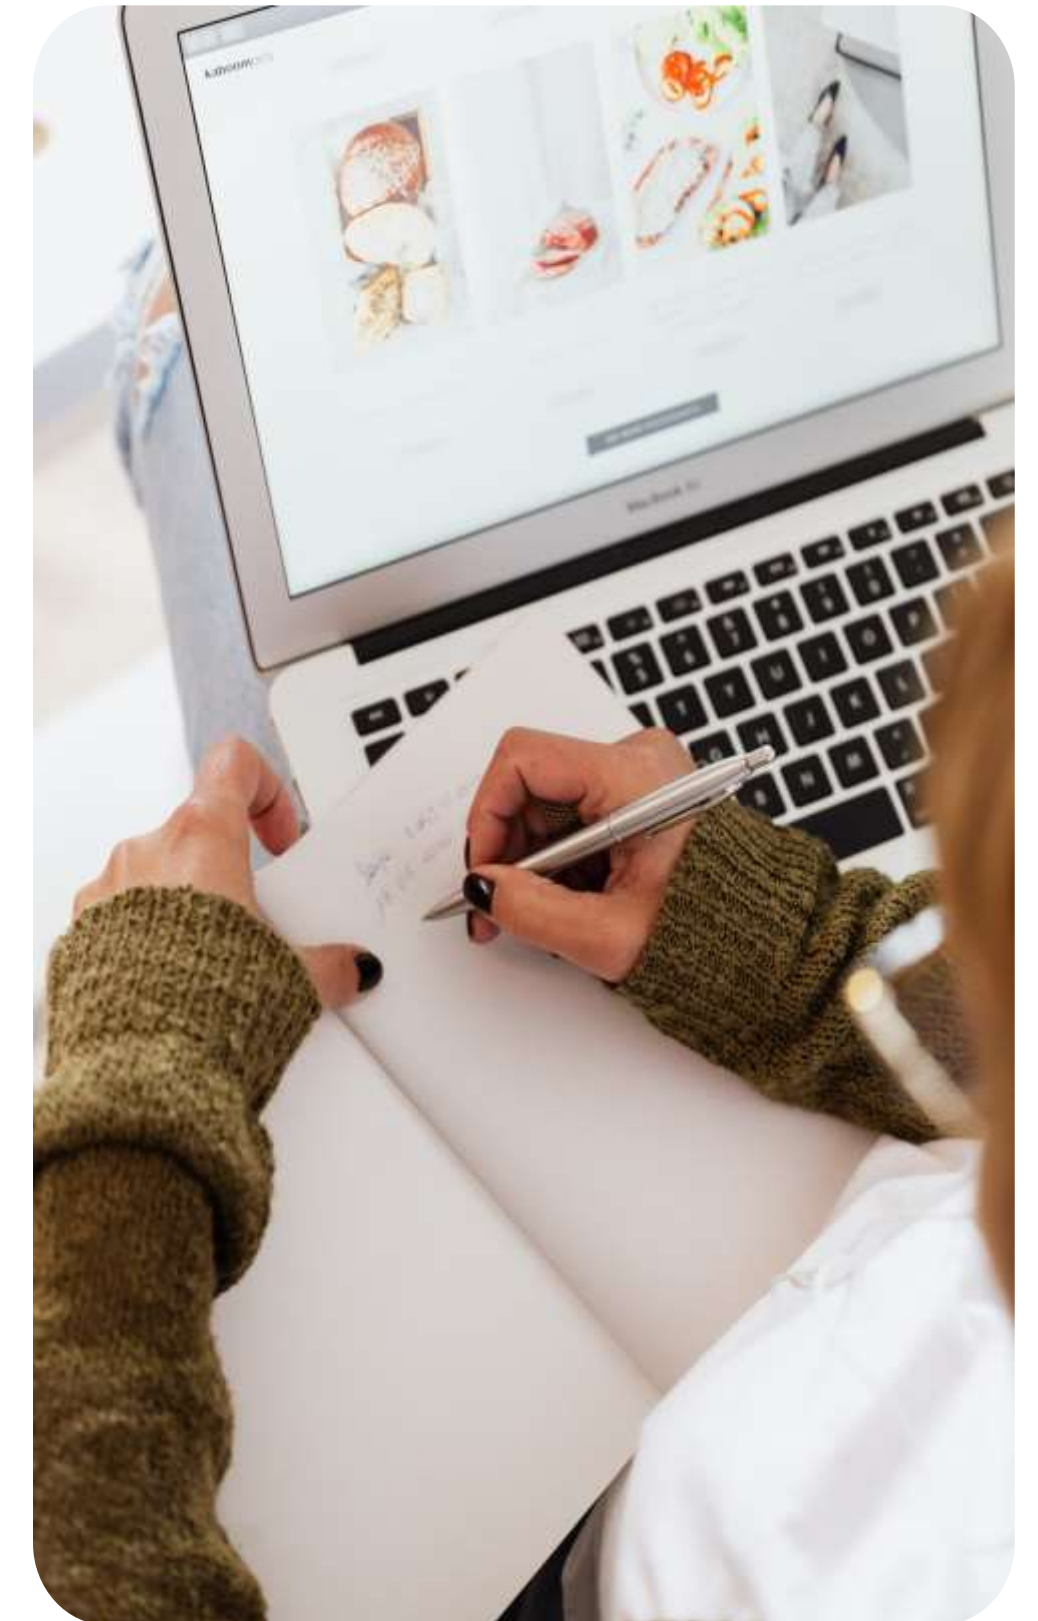

- not only empowering but also
- holistic and self-sustaining

#2

Learning pedagogy

TruePath Learning's pedagogy comprises:

- Pre and post reads
- Case Study based discussions
- Individual/ group activities and role plays
- Experiential exercise – Quality Mind Process (QMP)
- Pre and post MCQ based assessments

We Made It: Together...

“Debangshu is known for his oratorial skill which has helped him a lot in his professional assignments.”

Mr. B. Padmanabhan (Group CFO & Director, Varroc Engineering)

“I have the privilege to know Shri Chakraborty since 1999. ... He conducted transformative training sessions at various NTPC stations ... His ability to seamlessly blend industrial experience with timeless wisdom of the Universal Vedantic principles sets him apart as an extraordinary educator. ... His sessions are not just informative but deeply inspiring ...“

Mr. DS Rao (Former Executive Director, Power Management Institute, NTPC)

“I have always known him as an authentic and highly effective trainer whose programs go beyond surface learning to bring about deep, transformational change.... he successfully conducted numerous programs and trained over 300 executives at Bharat Electronics Limited, Ghaziabad and Bangalore. I strongly recommend **Dr. Chakraborty** as a transformational trainer in the field of leadership development.”

Mr. Girish Kumar (Director, BEL Bangalore)

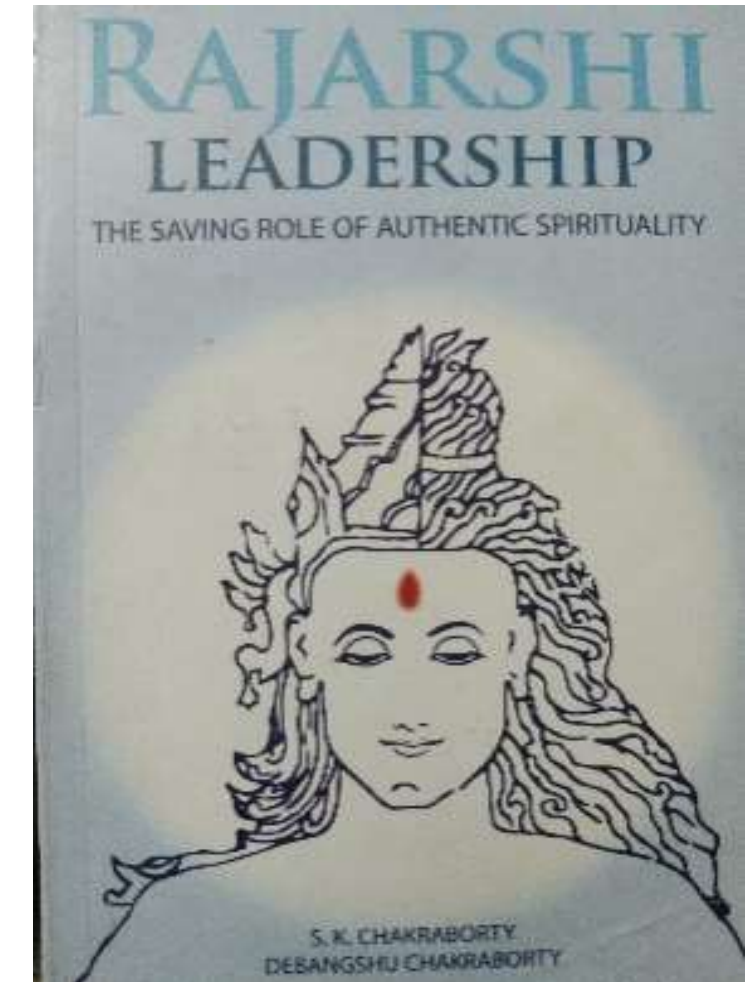

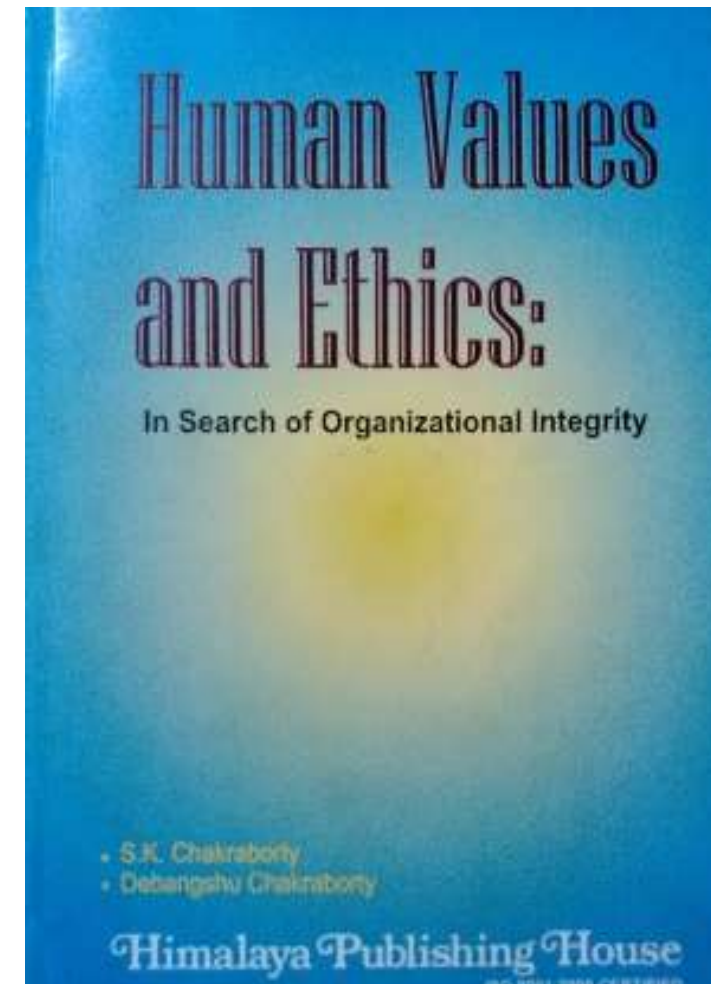

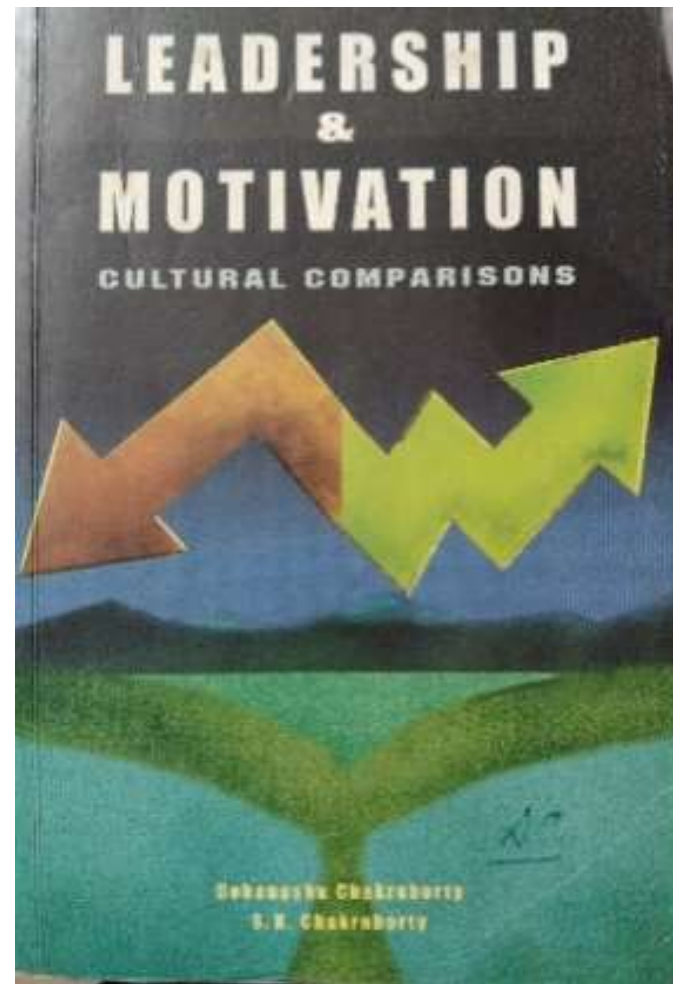

“Dr Debangshu assisted us in leading human capital and governance sessions for Cohorts for Start-ups in premium Indian educational institutes. His sessions got rated as outstanding. He brings a world of knowledge, practice and insights. He embeds Vedantic principles into management processes and practices which greatly benefit both young and large established companies. He comes from the house of the legendary Late S K Chakraborty (IIM Calcutta), Indian management guru.”

Mr. Yadvendra Sahai, BoDE Foundation
